Usage

SilentCue is a general purpose utility to cast vibration attention in a regular basis. The time interval can range from 1 minute to 60 minutes. SilentCue comes with an easy-to-use and intuitive user interface.

System Requirements

Any PDA with Palm OS 4.0 or above and a built-in vibrator. For example, Palm m500, m505, Tungsten T, Tungsten T3, etc.

Instructions

See the software Help information.

Release Notes

Version 1.0 Released on 7 June 2005

Fully tested on Palm Tungsten T3 and Palm m505 as well as a number of Palm emulators and simulators.
