

Nokia 6310i phone driver

Use the Nokia 6310i phone driver to establish a connection between your Tapwave™ Zodiac™ console and your Nokia 6310i Bluetooth-enabled phone. Tapwave can NOT assist you with configuring your GSM or GPRS connection. For assistance configuring your GSM or GPRS connection, contact your cellular service provider.

Installation Instructions for Windows Users

1. Download the Nokia6310iTW.prc. Be sure to note the location of the directory/folder the file is extracted to.
2. Double-click the Nokia6310iTW.prc to launch the Install tool in Palm Desktop
3. Select the correct user name for the Zodiac you are installing to from the User list.
4. Select OK.
5. During the next HotSync synchronization, the Nokia6310i Phone Driver will be installed and activated.
6. After installation you will be prompted to reset your Zodiac to use the driver.

Instructions for pairing the Zodiac and Nokia 6310i phone via Bluetooth

Settings on the Phone:

1. On the Nokia 6310i, ensure the Bluetooth radio is turned on.
 - From the main screen, Press MENU.
 - Scroll up 3 times to Bluetooth then press Select.
 - Press Select again to see "ON" and "OFF" options.
 - Scroll to highlight ON then press the left Selection key labeled Select.You should now see "Bluetooth Switched On". Press the right Selection key to back out to the main screen.
2. Now that Bluetooth is on, make your Nokia 6310i visible to the Zodiac by doing the following:
 - From the main screen, Press MENU.
 - Scroll up 3 times to Bluetooth then press Select.
 - Scroll up 1 time to Bluetooth settings then press Select. "My Phone's Visibility" will appear.
 - Press Select again to see "Shown to All" and "Hidden" options.
 - Scroll to highlight "Shown to All" then press Select.
 - Press the right Selection key to back out to the main screen.

Settings on the Zodiac:

1. Go to Prefs.
2. Go to Connections Panel.
3. Highlight the BT to Nokia 6310i connection and Tap Edit.
4. Select the Nokia 6310i from the Model list.
5. Select Device: Tap to Find.
6. When prompted add to trusted device list tap YES.
7. When prompted for a passkey, enter anything you like.
8. Select OK.
9. On the phone you will be prompted to enter a corresponding passkey.
10. Enter the same passkey as on the Zodiac and select OK.

You will receive a confirmation dialog on your Zodiac asking if you would like this to be the default connection for your phone applications. Choose yes if this is the phone you will use most often.
